ACHIEVEMENTS

- 1. But the majority have suffered alteration**
- 2. Reader will be distracted by the readable content**

There are many variations of passages of Lorem Ipsum available, but the majority have suffered alteration in some form, by injected humour, or randomised words which don't look even slightly believable.

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, as opposed to using 'Content here, content here', making it look like readable English

- 3. Wont the first prize in Badminton Competition**

I stood first among 11 finest badminton players in the University
